A Ministry of Cornerstone Christian Church

“AND JESUS SAID TO THEM, ‘FOLLOW ME, AND I WILL MAKE YOU BECOME FISHERS OF MEN.’”

~MARK 1:17

This past month, during our Spring Break, we sent out three outreach teams to share the Gospel at the University of Florida, the University of Central Florida, and the University of Tampa. There were 23 students and staff who went to UF, 26 who went to UCF, and 28 who went to UT. Of the students we met, 26 made decisions to receive Christ! We also connected 139 students with local campus ministries. We are excited to see how God will use the powerful testimonies of the students we met to impact their respective campuses and cities for Christ!

Please visit our website to watch a video of our Spring Break outreach trips!

www.CornerstoneTampa.org

Thank you so much for your prayers and partnership which allow us to reach students with the love of Christ.

Together we are seeing God touch the hearts of these young men and women.

Please pray with me:

- For Brehanna and Zana to follow Jesus with their whole hearts.
- For a young woman who is awaiting a kidney transplant, that God would bring healing and prepare her body to accept the new kidney. The Lord provided a donor, but she needs to be cleared for surgery.
- For the students we met during our Spring Break trips to really connect with the ministries who will be working with them.
