Your prayers make a difference! This summer has been an amazing time of God's provision in every area of our lives.

### Please pray:

- For all of our student members to return to school safely with a passion for spreading God's word to their peers.
- That I add \$500 to my monthly partnership team, so that it will be completed in time for the start of the semester.
- For us to meet new students that God is drawing to Himself and for them to be saved and come into the church He has called them to.

*"The effectual fervent prayer of a righteous man availeth much."*

**As** a campus based church, we have the opportunity every summer to take a step back and prepare for all that God has planned for the next semester. Now that summer is over we can't wait to get out on campus and start winning more USF students to Christ. This new school year is looking to be even more exciting than ever as we welcome several new campus ministers onto the campus.

Over the summer we have asked you to be praying for favor with the school as we look to move into a new room. Your prayers have been answered! Starting August 22nd, we will be meeting in the USF Marshall Center Oval Theater. With over 700 seats, a giant stage, and beautiful facilities, God has truly brought us into a magnificent place to worship Him. We are so excited to fill this room with hundreds of passionate college students that will make an impact on this campus and will someday go on to be leaders and world changers .

(please pray that God fills this room with students)

Another summer prayer request was for us to meet many incoming freshmen at the Summer Orientation sessions. We are happy to announce that this was a great success. We met a total 276 new freshman that were interested in a Bible study or coming to church. We are so excited to follow up with these students when the semester starts on August, 23rd.

**We at Cornerstone Christian Church are so thankful to partner with such amazing people in our community. Your prayers, finances, and referrals are so valuable to us. We pray that God would pour out his blessings on you in every way.**
