February 2016

The first few weeks of this spring semester have been fruitful and God's power has been evident on the USF campus. We have seen many students come into deeper relationships with Jesus! This month we would like to share with you how Anup came to know the Lord last Fall.

Please Pray for:

- Us to meet students who God is drawing to Himself at USF, and also that He prepare hearts at UF, UCF and UT.
- Marline to give her life to Jesus.
- Kelechi, Dunni, Nkem, Anne & Nicole who I'm helping to start an outreach Bible study in their dorm (Beta Hall). Pray for students to be drawn to Jesus as these girls share what God has done in their lives.
- God to pour out His blessing upon all those who have partnered with us

Throughout my life, I believed that I was a decent person. I always tried to fix things in other people's lives, but the thing is I never did that in my own life. I was never real with myself. I would tell my friends and family that I believed in God and His Word, I would pretend that I was praying in church, but in reality I truly did not believe in my heart that Christ even existed.

I made the decision to go to USF once I finished high school. During freshman orientation I was stopped by a student from Cornerstone Christian Church to take a survey that asked if I was interested in doing a Bible study and attending church. I agreed, but mainly because I wanted to please my mom and I wanted to see if I truly needed God in my life.

I attended church on a random Sunday last September. There was a guest speaker visiting that day who shared his testimony named Luke Bernard. His testimony was powerful. Luke got into a traumatic car accident and experienced life-threatening injuries that caused the doctors to believe that he would not survive. Through much prayer from his family, he was able to walk and talk in a supernaturally short amount of time. I realized that this was a miracle. This was God. That day at church, September 13th, 2015, I made the decision to truly believe in my heart that Jesus Christ is my Savior.

Through Him, I can be so much more than I thought I could be. I have a path to follow, but I'm not alone on this journey. Since making that decision I have become a member of the church, joined the usher team and am part of the Bible Study Leaders program. I have even had the opportunity to invite my roommate to church and see him make a decision to follow Jesus. I am extremely thankful for what God has done in my life and how He's using me. I'm looking forward to what He has in store for me in the future.

"Finally, brethren, pray for us that the word of the Lord will spread rapidly and be glorified" ~ 2 Thess. 3:1

SPRING BREAK 2016 - We will be taking our annual Spring Break Outreach trips to other University campuses this March, the 13th-19th! This year, we will lead three teams of young people to share the Gospel at the University of Florida, the University of Central Florida and the University of Tampa. I will help lead the team going to the UT campus in downtown Tampa. It's a great time of fellowship and an exciting opportunity for the students in our church to share their faith and see God use them mightily. I hope to raise an additional \$100 to cover the costs of my trip. I would like to ask if you would consider making a special contribution this month? Thank you for your faithful partnership!
