Thank you for your prayers and partnership! The semester has started back up and we are on campus sharing the Gospel and leading Bible Studies with students on the campus. Through our outreach we are able to help reach students like Adam, who responded to the Gospel with his whole heart! Here is his story:

I had heard about Jesus when I was growing up, even though I never attended church. I was taught that just being a nice person was good enough. But over my middle and high school years I started becoming mean to those who were not as popular as I was. As I started to become more popular I would just put people down, hurt them, and I did it to gain a sort of stance in the schools hierarchy.

When I went to orientation for USF, I filled out a short two-question survey about heaven and put down my contact information, but did not realize their importance. I brushed off the convicting answers for the summer, but after arriving at school in the fall I received a call from a

man who is now a great friend of mine. He led me to the Lord and taught me Biblical truths that no public school class can teach. Through these lessons I gave my life to the Lord about a month into my first year of college, and was baptized a week after that.

Over these past few months I have started to grow into a more mature Christian. I still have the hunger for more knowledge as I did the first day. I enjoy sharing my knowledge of the Lord and what He's done in my life with others, and watching them grow. Instead of trying to do everything myself, now I look to the Lord for guidance in every aspect of my life. —Adam

Spring Break Outreach 2010:

Last month with my newsletter, I sent a letter about our upcoming Spring Break Outreach to the University of Arizona. We will be taking 20 people to Tuscon, Arizona next month from March 6th - 13th to team up with Faith Christian Church and share the Gospel with college students there. As I mentioned in my previous letter, we are very excited to see what God will do while we are there and for our students and new staff

to get a vision for the future. So far, I've raised \$300.00 towards the cost of this trip! I am praying to raise \$400.00 more this month to pay for the trip and ongoing ministry expenses. Would you please prayerfully consider giving a special gift to help cover the cost of this trip? I've enclosed a contribution slip for you to use if you feel led to give. Thank you for your partnership and for your help in reaching college students and fulfilling the Great Commission to make disciples!!!
