The semester is in full swing, and we are meeting students that are hungry for the Word of God. The first week of the semester we met 383 students who were interested in church or a Bible study. A campus minister met Bryce during the first week of last semester and it changed his life forever. Here is his story:

### Prayer requests:

### Please pray:

- That the students we have met would have soft hearts toward the Gospel and give their lives to the Lord.
- That we would continue to meet new students each week that are receptive to the Gospel.
- That all of our staff would complete their partnership development, so they can be out on campus full time. I personally still need to raise \$550 in monthly partnership.
- For Ashley & Lex to trust in the Word of God and give their lives to Jesus.
- For Kimberly, Kiyanna, & Susanna.

Growing up, my relationship with God consisted of a routine of prayers and attending church every Sunday. But, despite this routine, I never came to know Jesus. Especially during undergraduate school, my weak connection with the things of God diminished as the world started to have a stronger pull in my life. I started to rely on partying, drugs, and drinking to fulfill me. In my senior year, I realized that I needed God in my life, but I didn't know how that could happen. By God's grace and love, He brought me to the University of South Florida to start a new life. I vividly remember the tears falling down my face as I drove to my new apartment in

Tampa asking God to give me guidance and to give me the relationship I wanted to have with Him. It was during that first week of graduate school that I came upon Cornerstone Christian Church's website and met a campus minister. He invited me to attend church and while I was at church, I instantly hungered for a relationship with God. It was through the Bible studies and the testimonies of the members of Cornerstone that I was able to surrender my life to the Lord Jesus Christ. Ever since that time, I have felt the continuous presence and love of the Lord in my daily life. I am now a member of Cornerstone Christian Church and love spending time with my new brothers and sisters. I am no longer bound by the temptations that once governed my life, but now I am free to love and serve the Lord with the confidence that my heavenly Father is by my side every day.

### SPRING BREAK IS COMING SOON!

I wanted to let you know that next month, March 13th-20th, I will help lead a team of USF students to share the Gospel with college students at the University of Central Florida in Orlando. UCF is the second-largest university in the nation, serving over 56,000 students! Please join us in praying for God to prepare the hearts of the students there to receive salvation. This trip is also an amazing opportunity for the students we are leading to step out and see how God can use them to minister to their peers. Would you please prayerfully consider giving a special gift to help cover the cost of this upcoming trip?

I am praying that I can raise an additional \$300.00 to pay for the trip and help cover ongoing ministry expenses. I have enclosed a contribution slip for you to use if you feel led to give. Thank you so much for your support in reaching this generation with the transforming power of Jesus!!!

**We see students like Bryce receive God's free gift of salvation each week that we are on the campus. Thank you so much for enabling us to be there!**
