FEBRUARY 2019

“And the Lord was adding to their number day by day those who were being saved.”

—Acts 2:47 NASB

This semester we are already seeing amazing fruit on the campus. We will be sending out three Spring Break Outreach Trips this March with staff and students from our church to share the Gospel on the following campuses: The University of Arizona, The University of Florida, and Florida Gulf Coast University. These outreach trips provide a way for the students in our church to share their testimonies with other young men and women.

This month we asked Jen to share what God has done in her life.

The Lord used her mightily last year when she went on an outreach trip to FGCU over Spring Break!

PLEASE PRAY:

- For our upcoming trips to the UofA, UF, and FGCU. Pray that God would prepare the hearts of young men and women to receive the Gospel at these campuses, as well as at USF and UT.
- That our staff and students will be fully funded for these trips.
- That those recently saved would be firmly established in their relationships with God and come into the life of the church.

When I came to USF, I was in the middle of a critical period of my life. My parents had recently divorced, and I was discovering what life was like outside of the conservative home I was raised in. My grandparents are pastors, and I was saved during a service when I was 13 years old, but after worldly relationships, family trouble/divorce, and without much discipleship, it was becoming easy to pull away from God. I was curious about the world

and did not have a church home at college.

However, I was stopped one day by a campus minister from Cornerstone, who asked me to fill out a survey about whether I thought I was going to heaven and invited me to a Bible study. At first, I hesitated to start a Bible study- I thought I knew enough about God, and I had a pretty good relationship with Him. I felt a nudging though, and after a night of partying realized that the world had nothing to offer but loneliness and emptiness. So, I decided to start the Bible study, and quickly realized that I didn't have as strong of a foundation as I thought I did, and if I were to keep heading down the path I was on it would lead to destruction.

Soon after, I re-dedicated my life to the Lord, and started to learn how to be a disciple of Jesus by hearing and obeying His call (best decision ever!). I started to share my faith with other people, and even had the opportunity to go on a spring break trip to Florida Gulf Coast University, where I helped to lead many other students to the Lord. I am so happy to be a part of a church that values discipleship and fellowship, where I can be encouraged in my faith by other young believers and followers of Christ! ~ Jen
