“For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek.” — Rom 1:16

We hope you had a wonderful holiday season. The students at USF arrive next week and we anticipate the Lord doing many great things in their lives this semester. We finished the year very strong with seventy-three students who prayed to surrender their lives to Jesus in 2009 and thirty-eight students were baptized. This month we will hear the amazing story of how Daniel came to know the Lord.

“My family taught me about Christ at a very young age. As I grew older I began getting into trouble, and became associated with people who were influencing my life for the worse. This continued into college. I soon realized that there was a huge emptiness inside of me that was not filled by partying with my new friends at USF. I started to see that my mother and father had something real inside of them that gave them joy daily because of their relationship with God.

One day as I was walking back from class a campus minister from Cornerstone invited me to do a Bible study. In our Bible studies we began talking about basic biblical principles and for the first time I was willing to listen. I soon realized repentance was about Godly sorrow not worldly sorrow. I used to just pray for the assurance that I wouldn't go to Hell but I realized that real repentance was turning in the other

direction and having a true relationship with Jesus. I began to see the reality that Jesus died so I could spend eternity with Him. During the Spring semester of 2009, I surrendered my life to Jesus. I am now a member of Cornerstone Christian Church, and I attend a weekly Bible study which has helped me grow in my relationship with Christ. I am excited for the future God has for me and I pray that I'll be a witness of God's grace and peace to others around me just as the ministers at Cornerstone have been for me.” ~ Dan

Through your partnership with Cornerstone, students are receiving the eternal life God has for them!
