

Thank you so much for your prayers. They truly make an impact in our lives .

Please pray for:

- All of our student members to return to school safely.
- Us to contact the students we met with last semester and reestablish weekly Bible studies with them.
- Us to meet more young men and women that God is drawing to himself.
- The newest members of our church to continue to grow in grace and develop strong relationships in the church.
- My financial partnership team to continue to grow. I had several new partners join last semester! I'm praying to raise the additional \$530 in monthly partnership that I need this semester.

A Ministry of Cornerstone Christian Church

"He put a new song in my mouth, a song of praise to our God; many will see and fear, and trust in the Lord."

~ Psalm 40:3

Happy New Year! As we look back on 2010 we would like to take the opportunity to give God the glory for all He has done in the past year. You have heard many testimonies from individual students throughout the year. Now we would like to show you how the ministry has grown overall.

- We averaged 80 Bible studies that met each week. That's 2357 Bible studies that met this year on the USF campus!
- Approximately 863 different students attended church.
- We had an average attendance of nearly 200 people this past semester.
- About 90 students prayed to surrender their lives to Jesus.
- We added 49 new members to the church.
- We trained 28 Bible study leaders.

Your partnership this year has made such a difference in our ministry on the USF campus. I am so thankful for our relationship, and I am very excited to see it continue to grow this year and in the years to come.
