Through your partnership, the Lord has caused us to reap an abundant harvest for Him. This past semester we established an average of 87 individual weekly bible studies that were meeting on campus, over 40 student guests attended our Sunday service every week, and over 50 students surrendered to Jesus!! We look forward to equipping these young men and women and watch as they grow in grace and become light to their generation. Here are just a few pictures of the students that got saved this past semester.
