

# Cornerstone CAMPUS MINISTRY

*A ministry of Cornerstone Christian Church*

P.O. Box 17244 Tampa , FL 33682

I grew up in a Christian home and gave my life to Jesus Christ around the age of 10. However, as I entered middle school, I responded to issues in my family life and with my peers by placing my relationship with Christ on the back burner. I knew that in my heart I was living like my friends that didn't know Jesus. But instead of turning to Him, I would say sorry and that I would try harder to be "better" only to return to the same old ways. By the time I started high school, I knew something had to change. I began going back to church, and in His mercy God showed me the only way be right with Him was found in the shed blood of Jesus. **He rose from the dead so I could be not only forgiven, but able to live a new life in Him.** I moved to Tampa to attend the University of South Florida in the Fall of 2005. I met a campus minister during my first week there, who invited me to Cornerstone Christian Church and started a Bible study with me. She taught me how to share the Gospel with other students, and invited me to help her with her other Bible studies and share my testimony. As a student at USF, I started a Bible study in my dorm with the help of that campus minister, and through it my roommate gave her life to Jesus! I saw how many young people on the campus needed someone to share the powerful message of God's love with them, and knew that God was calling me to full-time ministry when I graduated to do just that. In December 2007, I graduated from USF and joined the staff of Cornerstone Christian Church.

**Your prayers and finances can dramatically impact the campus as we continue to see God move in extraordinary ways at the University of South Florida.** Each month I share with my partners testimonies of young lives being impacted through our ministry so you can see your support bearing fruit. I, along with the rest of our staff teach evangelistic and discipleship Bible studies and bring students to our campus church. It has been amazing watching God change students lives and being a part of that! I am presently developing a financial partnership team for campus ministry. Currently, I have raised \$2215 in monthly partnership, and hope to raise an additional \$385 this summer. All gifts to Cornerstone Campus Ministry are tax deductible, and less than three percent of each gift is used for the expense of administrating and processing contributions. Thank you so much for prayerfully considering partnering with me in sharing the Gospel with college students! I have included the first-time contribution slip for your convenience. I am so grateful for the financial partnership I have with people in the community like you who have a heart to sow into the lives of young men and women.
