MARCH 2019

The Lord God has given  
Me the tongue of  
disciples, That I may  
know how to sustain the  
weary one with a word.  
He awakens Me morning  
by morning, He awakens  
My ear to listen as a  
disciple  
—Isaiah 50:4

We are looking forward to our upcoming Spring Break outreach trips March 10th - 16th. We will be taking students from our ministry to share the Gospel at the University of Arizona, University of Florida, and Florida Gulf Coast University. Please be praying we meet students on each of these campuses whose hearts are open to the good news of Jesus Christ.

## This month we would like to share Samuel's story with you.

Last semester he gave his life to Christ and is already making an impact in God's kingdom.

Growing up, my family and I attended church regularly. I believed in God, but had never made a decision to enter a relationship with Jesus. Last year I left my home in Jamaica in order to attend USF. I knew that I would need God's help to keep me from all the distractions that college had to offer. Now facing my own challenges and decisions in life, I began to sense the weight of accountability that I had before God for the decisions that I made.

In my second week as a college student at USF, I was stopped by one of the campus ministers from Cornerstone while I was on my way back to my dorm. We sat and talked for a while, having an interesting conversation about God and how to have a relationship with Him. He invited me to church that upcoming Sunday and the experience was incredible! I was almost brought to tears by the music and the powerful message delivered by the pastor.

I began attending church regularly and started meeting for a Bible study with the campus minister I had met the week before. In these Bible studies I felt God drawing me into a relationship with Him. On September 11, 2018 I made the best decision ever by giving my life to the Lord and one week later I got baptized!

Soon after, I joined one of the church's small groups and started to learn about how to be a disciple of Jesus. Since then, I've been sharing my faith with friends and family! Six of my Caribbean friends now come to church with me, four have started doing Bible studies themselves, and one just gave his life to Christ last week. I also had the opportunity to lead a prayer for a close friend during his baptism. I love getting to be used by God to reach my peers. Following Jesus will always be the best decision!

for partnering with us  
to reach USF and UT  
students with the  
Gospel and equipping  
them to be bold  
witnesses!
