We hope you are all having a great spring. It is hard to believe, but we are almost to the end of the semester! It has been a year where the Lord has added to our church in record numbers. We broke the "100" member mark! This is a real milestone for us. Many of these students just gave their lives to the Lord within this past school year. One of these students is Adam. We would like to share his testimony with you this month:

Please pray for:

- Our staff's summer support raising.
- That I would add \$550 to my monthly partnership team!
- Our graduates to find full time jobs.
- Our student's relationship with God to go deeper during the summertime.
- For Nicci to have a strong foundation established in her new walk with the Lord.
- Continued favor with the university administration as we move into a new room in the fall.

I attended church throughout my childhood. During my freshman year of college at the University of South Florida, I began attending Cornerstone Christian Church. The first time I attended church I met two of the campus ministers, and my roommate and I began meeting in a weekly Bible study with them. After a couple of months of attending Cornerstone and a Bible study, I gave my life to Jesus. God made it clear to me through the ministers, and even through the people around me that it was the right choice. It was the only choice I could make if I wanted to go to heaven. My roommate also gave his life to the Lord during the same time. Since I have made this decision, I'm living my life as I was cre-

ated to. Before giving my life to Him, I was living a self-ish life and only looking out for my

best interests. Since I have made this decision, I may still encounter hardships, but it is much easier to cope and handle those

situations with guidance and His Word. I am able to make quality decisions that are rooted in scripture and bear good fruit. Jesus has truly blessed me since I have begun my walk with Him. ~Adam
