

**Audra Barkwell**

I became a Christian at an early age, but as I entered my teenage years I began to struggle in my walk with the Lord. Early in High School, I drew near to God and found a church where I was able to grow in faith and walk out my commitment to serve Christ with my whole life. I saw how important church membership was to spiritual growth, and I knew that the only way I was going to stay close to God while in college was to find a church. When I came to the University of South Florida, I met a campus minister who discipled me and encouraged me to share my testimony with other students. As a student at USF, I started a Bible study in my dorm with the help of that campus minister, and through it my roommate gave her life to Jesus. I also was a student Bible study leader during my last semester.

I graduated from USF on December 15, 2007, and was licensed by Cornerstone Christian Church to serve as a full-time campus evangelist. I have enjoyed being part of this evangelistic ministry as a student and seeing how it has changed not only my life but the lives of many other students on the campus. I look forward to seeing how God will continue to move mightily in students' lives at USF.

The purpose of Cornerstone Christian Church is:

- **To evangelize** college students during a very crucial time in their lives with the Gospel of Jesus Christ.
- **To establish** these students in Cornerstone Christian Church or in other local churches in the Tampa Bay area as the Holy Spirit leads.

*“Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit”*  
~Matthew 28:19

# Reaching This Generation

**Did you know that 19 out of 20 people who become Christians do so before the age of 25?**

*College is a very critical time in a student's life. It's a time when they'll be making decisions which will affect the rest of their lives. Students are seeking meaning and purpose— both of which come from experiencing a relationship with God. They come to college to seek knowledge, direction, and preparation for the future, yet are also faced with moral and academic pressure. This is why it is so important for these young people to find their meaning and purpose through a relationship with Jesus Christ.*

*These students are the leaders of tomorrow. The future of our nation and our society will be determined by the decisions they make today.*

## Reaching the Campus

### BIBLE STUDIES

Every week we share the Gospel with dozens of students through evangelistic Bible studies.

### FRIENDSHIP AND FELLOWSHIP

Through inviting students to social events and other activities, they have an opportunity to meet Christians and see the life of the church.

### SUNDAY WORSHIP

We believe that commitment to a local church is a vital part of spiritual growth. Thus, we are committed to establishing students in either Cornerstone Christian Church or other local churches.
