November 2013

Through your partnership, students like Yani find a new life in Christ and are sharing His love with their peers.

Thank you for making this possible!

“By this the love of God was manifested in us, that God has sent His only begotten Son into the world so that we might live through Him.” ~ 1 John 4:9

Thank you for praying!

- Clarissa gave her life to the Lord last Thursday! Pray for her to continue to experience Christ's love and power as she grows in her new relationship with Him and that she get baptized. Also, please continue to pray for **Jailyn and Jessica**.

- Please pray for **Gail**, who I began meeting with for Bible studies two weeks ago after I stopped her on campus to share the Gospel. She was amazed because she's been thinking a lot about God but has been open to many different philosophies and faiths. Pray she sees the love of Christ that He would give His life for her on the cross and that she would be saved.

(John 14:6)

We are so thankful for your prayers and partnership! This month we would like to share Yani's testimony with you:

I grew up in a Christian home going to church and to a private school. As the years went by I lost interest in church and eventually I completely stopped going. I thought I was a good person; I was an academically inclined student with good grades, and no disciplinary problems. But that changed once I entered college. I got involved with the wrong group of people and I started doing things I said I'd never do: drink, smoke, curse, go to clubs and party whenever I had the chance to.

One day my roommate asked me to come to a Bible study with her and although I was not receptive I went anyway. At the Bible study I heard the truth, but I wasn't ready to

change and so I kept on living in sin. I finally got to the point where I was no longer satisfied with just partying. I wanted to be something more so I decided to join a sorority. That, among other decisions I made, was a terrible one. It only reinforced the lifestyle I was living and led to a great sense of sadness in my life.

A week later as I was walking on campus I was asked to fill out a survey and soon afterwards the student Bible study leader who I had once met up with called me and invited me to Cornerstone. I decided to go to church and began to do a Bible study regularly. I had grown tired of my sin and this time I was open to the Gospel. In April of 2012, I'm glad to say I surrendered my whole life to Jesus and a week later I was baptized. Through God

my life has changed drastically, I've had so much grace and favor and there is so much more transformation occurring.

I'm so thankful to have a new life in Christ! I also now have the privilege of being a Bible study leader and I am able to reach out to other students with the love of Christ the same way I was reached.
