“But if we walk in the Light as He Himself is in the Light, we have fellowship with one another, and the blood of Jesus His Son cleanses us from all sin.” 1 John 1:7

We are so thankful for all the Lord has done so far this Fall semester as He draws students to Himself. We have great expectation for all the Lord will continue to do as He causes students to mature and grow in grace. This month we are very excited to share Jaelle’s testimony of how God has taken her deeper in her relationship with Him as a student at USF.

Please pray:

- That we would meet new students who are soft hearted and ready to receive the Gospel.
- That the students, like Gia, who have given their lives to Christ would quickly build a good foundation and come into the church.
- That we would establish Bible studies in each of the residence halls on campus.
- That Tiffany, Jahnell, Jaileen and Kendra would surrender their lives to Jesus.

My whole life I was surrounded by Christianity. I knew the principles of the Gospel and what is it to be a Christian. At an early age, my parents introduced me to Jesus and I accepted Him as my personal Savior, and later got baptized. However, my curiosity about God was only to fulfill religious pride and I did not apply what I knew from the Bible to my life. Yet, I considered myself a good Christian girl based on my knowledge of the Bible and my good works.

My junior year of college, I moved to Tampa to attend the University of South Florida. I was walking around campus when I was asked by a minister from Cornerstone Christian Church to answer some questions regarding my spiritual beliefs and my relationship with God. I was confident and proud to say that I would go to heaven because I believe Jesus Christ is my Savior. For a long time, I was content with that answer because I thought it was all that I needed to be called a Christian. I was invited to do a Bible study with this minister. The first time I went to the Bible study, I did not go with the right attitude. I went proudly thinking that I already knew everything they were about to tell me. Surprisingly I came out being so convicted by the Holy Spirit because I found out that I did not know as much as I thought. At this point God was revealing different things in my life that made me look at my walk with Christ. I realized that the amount of knowledge I had of God and the Bible did not matter if I did not know Christ personally. I knew Jesus Christ as my Savior, but He was never the Lord of my life. I was still holding on to my own will and desires. I chose to repent and follow Him with my whole life and began to allow His word to change the person that I was.

Later that same year I became a member of Cornerstone Christian Church. Surrounded by this amazing community of believers my faith in God became stronger as He was drawing me near to Himself. I have matured spiritually and my relationship with God has grown immensely. I have experienced His goodness and kindness towards a sinner like me. I know that God loves me, and nothing will ever separate me from His love. Therefore, I want to do everything that is pleasing in His sight as I live for Him. I went on my first spring break mission trip this year to share the powerful Gospel of Jesus Christ with the students of the University of Florida. It was such a joy to witness souls getting saved through the Word of God. I also lead Bible studies and share the Gospel on the USF campus. God has done amazing things in my life this past year and I am so excited for all the things that He has in store for me.

Thank you so much for partnering with us to reach the USF and UT campuses with the Gospel of Jesus Christ!
