Thank you so much for standing with us in faith, that God would fill up the Oval Theater with college students whose hearts are open and receptive to hear the Word of God. We have almost doubled our attendance for our Sunday Service and have already seen several students surrender all to Christ this semester. Many are actively seeking out discipleship and eager to come into the life of our church. It was great to see many of you at our Partnership Appreciation Service and for us to introduce you personally to some of the students we are reaching out to through our ministry. One of the students you may have had the opportunity to meet is Zach. We asked him to share his testimony with you this month.

**Please pray for:**

- All the receptive students that we have met so far, that their hearts would be soft and receptive to the good news of the Gospel!
- Brittany, that the Lord would establish a strong foundation in her renewed relationship with Him.
- Leah, that Jesus would reveal himself to her and that she give her life to Him.
- My financial team, that I add \$500 in monthly partnership so I can get back out on campus full-time!

*In my first year of college, I did everything to satisfy my sinful nature. I pursued the party lifestyle that college had to offer before God, even though I knew it was wrong. I started doing a Bible study on campus my Freshman year after meeting a member of Cornerstone Christian Church. One day a Campus Minister attended the Bible study and helped me to realize that I was heading down the wrong path. I then realized how important this change was, but when the Bible study ended I headed back into the same habits I had been a part of for most of my life.*

*A year later I was at a point in my life where my sinful habits were unsatisfying. I finally understood that the path I was on was a large path leading to the gates of Hell. It took two campus ministers to share God's grace, and I gave my life to Jesus on March 17<sup>th</sup>, 2010. Immediately following this incredible miracle of repentance I eliminated my relationship with the world.*

*Now I am living with four Christian friends; we pray daily and live for God's glory. God has given me overcoming victory in several areas of my life including my academics. I cannot wait to go through my Junior year spreading the Gospel and letting the world know what God has done in my life. ~Zach*

**Thank you so much for partnering with us to see lives like Zach's eternally changed through sharing the love of Christ at the University of South Florida!**
