Please pray for:

- God to continue to lead our staff and Bible study leaders to young men and women who are open and receptive to the Gospel.
- Sonia, Shannon and Alexis who gave their lives to Christ in August & September to continue to grow in their new relationships with Jesus!
- Coralie, Gabby and Erin to develop friendships with other believers and come into life of the church.
- Our staff to be able to add new monthly partners so we will be fully funded to reach the lost at USF and UT.

“Believe in the Lord Jesus, and you will be saved, you and your household.” Acts 16:31 NASB

The Fall Semester has begun and our staff and student Bible study leaders have been going out to share the Gospel with students at USF and UT. So far we have 205 Bible studies set up with students who have expressed an interest in learning more about the Gospel. Hopefully, we can lead each of these students into a life giving relationship with Jesus. A total of 39 students are being trained and equipped to lead evangelistic Bible studies with their peers. Morgan is one of our Bible study leaders who is so excited to share her faith and her incredible testimony.

Growing up, I often went to church with my family and thought that since I was a “good person,” I would automatically go to heaven when I died. As the years went on, my family started facing hardships like my parent’s divorce, addictions, and heavy financial burden. I quickly blamed God for allowing this to take place in my family. Because things at home were out of my control, I tried to obtain perfection in everything else I did. I put my identity in my performance, and I was always crushed when I did not measure up to my unattainable standards. Since I was never able to reach perfection, I made a complete turn, and started to immerse myself into a lifestyle of partying, trying to fill the gap in my life that only Jesus could.

In the later years of high school, some friends invited me to go to church with them, and I agreed out of desperation. I started reading the Bible, and realized that God loved me, never abandoned me, and was constantly pursuing me. One night my senior year, I started praying and fully realized the weight of my sins. I repented and made Jesus Christ the Lord of my life, and put my entire trust in Him. I knew that living a life surrendered to Him, is the only life where freedom exists.

Since then, my life has made a complete transformation. I no longer rely on my own abilities, but I can depend fully on Christ. The Lord led me to Cornerstone my freshman year of college, and brought me into a family of believers where I’ve been able to mature in my faith like I never thought possible while being surrounded by people who are living everyday for Christ. Recently, the Lord has continued to renew my family, and my dad was healed of his addiction, and just made Jesus his Savior this year! I am constantly in awe of how good God is, and I am forever thankful for the discipleship and fellowship that Cornerstone has provided for me these past years as well as the years to come! ~ Morgan

Thank you for partnering with us to see young men and women’s lives transformed through the Lord’s amazing grace. It is so exciting to see the impact these students have on their friends and families!
