SEPTEMBER 2018

PLEASE PRAY FOR:

— Grace to continue to set more Bible studies with students that the Lord is drawing to Himself!

— The eyes of the hearts of the students to be opened to the truth of the gospel, that they may respond with humility, repentance, and faith!

— The students who are giving their lives to Jesus to leave behind their sinful relationships and habits and get connected in a local church!

"We proclaim Him, admonishing every man and teaching every man with all wisdom, so that we may present every man complete in Christ. For this purpose also I labor, striving according to His power, which mightily works within me."

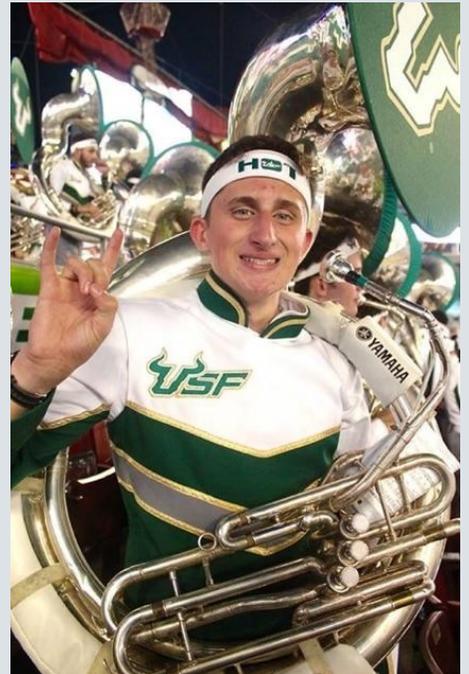

Colossians 1:28-29

Peter is one of more than 150 students that the Lord used us to lead to repentance and faith in Jesus Christ last school year. His life will never be the same! With the new school year under way, there are already 165 personal weekly Bible studies that we've set up with students! We have a hopeful expectation the Lord will bring in an even bigger harvest this year as we partner with Him! Here is Peter's story.

I was born and raised in a Christian home and have been going to church my whole life. I had a good understanding of what was being taught at church and I enjoyed going very much. The problem was that I didn't have an intimate relationship with Jesus and I wasn't pursuing one. I had one foot in the church and one foot in sin, and I was ok with that because the people around me saw me as a good Christian. The summer before college is when I started sliding deeper into sin, and I didn't know how to get out.

My first week on campus, I ran into a campus minister from Cornerstone Christian Church and he asked me a few questions about my relationship with God. I realized if I died, I wouldn't go to heaven, and it scared me. I decided to check out Cornerstone and could definitely tell that this was where God wanted me to be. I began to see my desperate need and a real desire for an intimate relationship with Jesus and fellowship with His people. I decided to start a weekly Bible study with a campus minister. Studying the Bible with them taught me how to apply the Word to my life and helped me see my need to repent from my sin and from trusting in myself, to trusting in Jesus. So one night, in my room, God showed up and I committed my whole life to Him!

Since becoming a member of Cornerstone, I've been able to grow so much as a disciple in my relationship with Jesus and my new brothers and sisters in Christ! Prayer, reading the Bible, and fellowship are now a part of my everyday life, and I love it. I can't wait to see what God has in my future and how He will use me to impact the people around me with His love!

We are so grateful for your partnership with us in fulfilling the Great Commission at USF and UT! Together, we are reaching this next generation of leaders for Christ and equipping them to make disciples of all the nations!
