SEPTEMBER 2019

PLEASE PRAY FOR:

— Us to continue to meet students who have never known Jesus and for them to have the humility to receive the Gospel!

— Grace to continue to set more Bible studies with students that the Lord is drawing to Himself, now!

— For the student Bible study leaders and members of our church to have an open door to invite their friends and classmates to church to hear the Gospel and be saved!

— For Rebekah, who gave her life to the Lord on the 6th, along with Abby, Maddie & Lerriq that they would come to know Christ.

“For the word of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God.” 1 Corinthians 1:18

The Fall semester has officially begun and we are connecting with hundreds of students each day to invite them to a Bible study or church. Angel’s life was forever changed because a friend invited her to church and the Word of God touched her heart. Check out her testimony below!

At the age of 5 my parents separated, and my brothers and I went to live with my father. After this, I had a rough relationship with my mom. Since she identified as Christian, and my father was an atheist, I quickly began to associate Christianity with bad, and atheism with good. It was not until I started at USF that I made my first devout Christian friend, and he invited me to join him at church one morning. That one morning turned into many mornings, and then I started Bible studies. It was at these Bible studies that I truly began to understand the Word of God, and it was everything that I told myself that it was not. Over time, the resentment that I held on to was broken down and instead I yearned for a relationship with God.

On February 17 of 2019, we had communion at church, and I decided to give my life to the Lord. Then a week later I was baptized, and soon after that I became a member of Cornerstone. I was experiencing transformation in parts of my life that I did not even realize needed change, and every day it felt like miracles were being performed just for me. Since then, I’ve been able to share the gospel, help in Bible studies, and even help lead others to the Lord. God’s purpose for me is great, and I look forward to carrying out His will every day, glorifying Him in all that I do.

Thank you so much for partnering with us to reach students like Angel who will lead their friends and classmates to follow Jesus too! We believe this semester we will meet and get to disciple more students like her than ever before!
