Please pray for:

- Toria and other students in our Bible studies to surrender their lives to Jesus.
- Rae, a student from HCC, whose father recently passed. Pray she experience the comfort of the Holy Spirit and the Father's heart for her.
- Devyn, who gave her life to Jesus last semester, that she would be strengthened and continue to grow in her new walk with Jesus.
- Receptive hearts here in Tampa and during the Spring Break outreach trips
- Provision for every need as we raise funds for Spring Break and ongoing ministry expenses.

Before I formed you in the womb I knew you, and before you were born I consecrated you... Do not say, 'I am a youth,' because everywhere I send you, you shall go, and all that I command you, you shall speak.—Jeremiah 1:5,7

We are so thankful for your partnership with us as we minister in Tampa and prepare for our Spring Break outreach trips March 13-19. We are sending teams to Florida Gulf Coast University (Fort Myers), the University of Central Florida (Orlando), and the University of Colorado (Boulder). Nathan is one of the young men who has been impacted by our ministry who will be sharing his testimony on a Spring Break trip next month:

Even the fact that I was born was a direct result of God's intervention. My mom suffered from pre-eclampsia two months before I was due. She went to lay down and my dad found her when she had completely stopped breathing. My dad cried out to God and my mom started breathing. She was rushed to the hospital and I was born. I weighed 3lbs, 2oz (my chihuahua weighs more!).

When I was small, again God manifested His healing power. I had accidentally sliced my left thumb down to the bone. My grandma, a missionary, prayed for me "In the name of Jesus" and He healed me completely without even a drop of blood.

With experiences like that, there was no doubt that God was real and that Jesus was God. I grew up in church and in a Christian home. I wish we could end the story there and say everything was amazing. However, I had no relationship with God, relied on the merits of my own works, lived in sin, and was an absolutely arrogant bear to be around. Thankfully, in college, God took a needle to my air-filled head and sent a campus minister. He patiently maintained a friendship with me for three years. By God's mercy, I realized that even though I believed in God, I was living for myself. I saw my need for repentance and gave my heart to the Lord in a Zoom Bible study in the fall of 2020. The following February, I joined the church and have enjoyed godly fellowship with people at Cornerstone. I'm being trained to share the Gospel and I'm excited to share what Jesus has done in my life with the students at FGCU this Spring Break. I can say honestly that my life is God's.
